On 1/15/13 at approximately 10:55 AM Detectives C. Shalter #9277, S. Lawlor #8751 decide to search me (Jermaine D. Lowery) while shopping at Walmart (8730 Liberty Rd). Dispatch advised that there was a black male in a blue and yellow jacket and that there was a theft in progress. So the detectives decide to stop and search me without any observations (suspicious or other) of their own, no surveillance cameras on nothing while I continued to shop inside the store. Also, without any determination of how the theft was taking place. First, a theft can't take place unless a person makes an attempt to leave the store without purchasing the merchandise. Then he has to make an attempt to conceal the item(s). Neither occurred. \*see Attached

IV. Relief

(State briefly what you want the Court to do for you.)

I seek \$75,000.00 for mental anguish, pain and suffering, as well as lost wages because I've been incarcerated since the incident.

SIGNED THIS 16 day of April May, 2013.

Continued Statement of Claim

Still, the detectives decided to violate my 4th Amendment right against unreasonable search and seizures. Also, the officers purposely chose not to secure a KGA recording, nor did they attempt to interview any Walmart employees concerning the alleged incident preceding the illegal stop and search. The entire incident did transpire inside of Walmart.
